"The Upanishads" by Eknath Easwaran

In the Upanishads, illumined sages share flashes of insight, the results of their investigation into consciousness itself. In extraordinary visions, they have direct experience of a transcendent Reality which is the essence, or Self, of each created being. They teach that each of us, each Self, is eternal, deathless, one with the power that created the universe.

Gaurav Rastogi, a Hindu meditation teacher, will lead the discussion.
